oc come to me all you that labor and are heavy laden and i will give you rest ocomathew 11 28 akjv in the early 1990s a grassroots coalition of churches in baltimore maryland helped launch what would become a national movement joining forces with labor and low wage worker organizations they passed the first municipal living wage ordinance since then over 144 municipalities and counties as well as numerous universities and local businesses in the united states have enacted such ordinances although religious persons and organizations have been important both in the origins of the living wage movement and in its continuing success they are often ignored or under analyzed drawing on participant observation in multiple cities all you that labor analyzes and evaluates the contributions of religious activists to the movement the book explores the ways religious organizations do this work in concert with low wage workers the challenges religious activists face and how people of faith might better nurture moral agency in relation to the political economy ultimately c melissa snarr provides clarity on how to continue to cultivate renew and expand religious resources dedicated to the moral agency of low wage workers and their allies

as first national chairman of the american civil liberties union the first professor of christian ethics at both boston university and union theological seminary and a pioneer of dialogs between religion and marxism harry f ward led a life marked with many milestones an advocate of the working class and the underprivileged ward avoided the do

â œthe labor movement from the standpoint of religious valuesâ explores the intersection of faith and labor activism in the early 20th century harry frederick ward a prominent figure in the social gospel movement examines the ethical and moral dimensions of labor struggles he argues that religious principles can provide a powerful framework for understanding and addressing the challenges faced by workers ward connects the goals of the labor movement with core religious values such as justice equality and compassion this book offers a unique perspective on the labor movement highlighting its potential to create a more just and equitable society it remains relevant for those interested in the historical relationship between religion and social activism this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact

and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

chicago was a tumultuous and exciting city in 1889 immigration industrialization urbanization and politics created a vortex of social change this lively chaos called out for both celebration and reform and two women ellen gates starr and jane addams responded to this challenge by founding the social settlement hull house although addams is one of the most famous women in american history and a major figure in sociology starr remains virtually unknown on art labor and religion is the first anthology of starr s writings and biography and makes evident her contributions to national and international sociological thought and practice

in gilded age america rampant inequality gave rise to a new form of christianity one that sought to ease the sufferings of the poor not simply by saving their souls but by transforming society in union made heath w carter advances a bold new interpretation of the origins of american social christianity while historians have often attributed the rise of the social gospel to middle class ministers seminary professors and social reformers this book places working people at the very center of the story the major characters blacksmiths glove makers teamsters printers and the like have been mostly forgotten but as carter convincingly argues their collective contribution to american social christianity was no less significant than that of walter rauschenbusch or jane addams leading readers into the thick of late 19th century chicago s tumultuous history carter shows that countless working class believers participated in the heated debates over the implications of christianity for industrializing society often with as much fervor as they did in other contests over wages and the length of the workday the city s trade unionists socialists and anarchists advanced theological critiques of laissez faire capitalism and protested scab ministers who cozied up to the business elite their criticisms compounded church leaders anxieties about losing the poor such that by the turn of the century many leading christians were arguing that the only way to salvage hopes of a christian america was for the churches to soften their position on the labor question as denomination after denomination did just that it became apparent that the social gospel was indeed ascendant from below at a time when the fate of the labor movement and rising economic inequality are once more pressing social concerns union made opens the door for a new way forward by changing the way we think about the past

blue collar jesus how christianity supports workers rights offers the most thorough analysis to date of workers rights from a religious perspective the book reveals biblical and ethical principles for justice in the work place and explores the vast and diverse tradition of labor activism among the major christian factions from the roman catholic church to the southern baptists convention cushman analyzes the history and beliefs that support labor unions with rich historical and theological insights cushman argues persuasively that labor unions are legitimate instruments of god s will for creating a just society never before published interviews and archival information makes blue collar jesus a fascinating study of the relationship between labor and religion

this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

there has always been an intricate relationship between religion and politics this encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present can a judge display the ten commandments outside of the courthouse can a town set up a nativity scene on the village green during christmas should u s currency bear the in god we trust motto should public school students be allowed to form bible study groups controversies about the separation of church and state the proper use of religious imagery in public space and the role of religious beliefs in public education are constantly debated this work offers insights

into contemporary controversies regarding the uneasy intersections of religion and politics in america organized alphabetically the entries place each topic in its proper historical context to help readers fully grasp how religious beliefs have always existed side by side and often clashed with political ideals in the united states from the time of the colonies the information is presented in an unbiased manner that favors no particular religious background or political inclination this work shows that politics and religion have always had an impact on one another and have done so in many ways that will likely surprise modern students
